

**OXFORD CENTRAL  
SCHOOL BULLETIN**

**January 6, 2017**

Happy New Year! I hope that everyone enjoyed themselves over the vacation.

While this month is traditionally a new beginning, January continues the positive programs and efforts we have been implementing since last September. January 25<sup>th</sup> will mark the end of the second marking period and the unofficial half way point in the school year. My thoughts this month revolve around the new year and the many ways we can work together to help our students to be as successful as possible in all aspects of their lives. Many times parents ask us what they can do to help their son or daughter be more successful at school...provide encouragement. Encourage your child to make the right choices with their peers. Encourage them to eat foods that will keep them healthy and productive in school. Encourage them to exercise and play—outside. Encourage them to apply themselves in school. Encourage them to avoid situations that they know are not healthy. Encouragement can go a long way in assisting students to be the best they can be!

I want to introduce everyone to our newest teacher! Mrs. Henry, who has been with us for many years as a paraprofessional, is going to complete the year for Mrs. Nemeckay in Language Arts and Science. Mrs. Henry has been in the classroom for the past few weeks and she is doing a wonderful job. She can be reached here at school at [khenry@oxfordcentral.org](mailto:khenry@oxfordcentral.org), or 908-453-4101, x1431.

If your son or daughter is planning on going to Warren Hills Regional High School, there will be a meeting on Thursday, January 19, 2017 for parents and students! The meeting will begin at 7:00 pm and will be held in the WHHS Auditorium.

Finally, our OCS family was saddened this week to hear of the tragic accident that took the life of one of the finest young ladies many of us have ever known, Keely Blaney. Our hearts, thoughts and prayers go out to the family in this time of grief and sorrow.

*Thank you... Till next time...*

*Mr. Magnuson*

## **Eighth Grade News**

**Mrs. Nemeckay / Henry's class has just begun reading "The Outsiders". We've begun discussing what it's like to be a "greaser" or a "soc". We have also been working on a student run fund raiser for Pancreatic Cancer. Students have been brainstorming ideas and coming up with creative projects.**

**In math, 8<sup>th</sup> grade students have been working on developing their knowledge of algebra in preparation for high school. We will soon begin thinking about course recommendations for next year. To learn more about what freshman year holds in store for the students, mark your calendar for the following parent meeting:**

Dear School Nurse,

We'd like to make you aware of a remarkable program that is available to your students that might otherwise have the means to visit a dentist for emergency or preventative care.

Every February dentists throughout NJ offer free dental care for children ages 12 and younger. In 2017, Give Kids A Smile Day is Friday, February 3<sup>rd</sup>. There are over 100 participating dental offices available for parents to schedule an appointment at a location of their choice.

Give Kids A Smile NJ would like to help your students start each school day with a healthy smile.

Parents and families can participate in GKAS by:

- Marking their calendar - Friday, February 3<sup>rd</sup>, 2017
- Calling the location of their choice to set up an appointment
- Visiting our website [www.njda.org](http://www.njda.org) for more information

Attached is a list of all participating locations. Please copy and distribute this list to your students.

Additional information is available on the New Jersey Dental Association website: [www.njda.org](http://www.njda.org). Kids A Smile can be found under the "For the Public" tab.
