

DIVE INTO SOME COOL BOOKS.....

THIS MP!

My basic premise is that many students at OCS are capable of holding part-time job, hanging out with friends, completing regular homework assignments and *ALSO* reading a few good science books for Extra-Credit!

Students in Mrs. Fallen's 6th -8th grades will be asked to read a science-related book over the marking period AND complete a Book Talk (fiction) OR a 5-4-3-2-1-organizer (non-fiction). The directions are available. This will be "fintastic".

If you need a list of suggested middle school books, see Mrs. Fallen. You also may select books that are grade appropriate science books from the library.

The Book Talk or "Organizer" will be due _____.
Students will "net" 10 extra points for each paper handed in.

Have an adult read over the information, sign the sheet below, cut and return to Mrs. Fallen by _____.

Good luck! Don't be "crabby"! Just "keep swimming"!
