Road to a Successful Science Experience

Listed below are a few materials and procedures needed for science class. It is expected you will come to class prepared every day!

Material:

1. Science Sections: Label one section in binder for science
2. Pencil: All homework and classwork is to be completed in pencil and should be neat.
3. Red, blue, green, pink, purple pen; All work corrected in class will be done in colored ink.

Quiz/No Quiz:

Random quizzes will be given on a weekly basis. It is your responsibility to read your assignment notes and complete homework so you will be prepared for this quiz. If you follow the guidelines, these quizzes will be easy. Other quizzes/test will be announced.

Textbooks:

If necessary, cover your textbook. Bring to class daily.

Homework:

Homework will be assigned and is to be kept in your notebook. Homework is checked and you will lose 5 points from your homework grade if it is not handed in. It will also be recorded on chart. You may use an "Elephant Pass" and hand in the assignment the following day with no consequences.

Absentees:

When you are absent, it is your responsibility to get the missed work. I will organize the assignments and send them with another student or you may pick them up in the office. Please:

1. Turn in any missed work as soon as possible.
2. Ask a friend for class notes or missed assignments.

If you are absent on a day of a scheduled test or quiz, it is expected that you will take the quiz or test the day of your return.

Extra Help:

Extra help is available after school if needed. M-T-W are generally free from faculty obligations. Please check with me.

Lab Safety:

It is expected that you observe all lab safety rules.
