February 2012

Dear Parents/Guardians,

Please find enclosed the 2012 *New Jersey Assessment of Skills and Knowledge Grades 6, 7, and 8 (NJASK 6-8), Parent, Student, and Teacher Information Guide*. This guide has been developed to help your children prepare for the upcoming administration of the NJASK 6-8, which is scheduled for the week of April 30th (grade 6) and week of April 23rd (grades 7-8). The teachers have read and discussed this guide with your child. However, parents/guardians play a vital role in preparing our students for the assessment as well. You can help by reading the information in this guide as well as reviewing the assessment samples developed for the appropriate grade level for your children. Sample test items, answer keys, and sample student responses are available for home use at the following websites:

www.state.nj.us/education/njpep/

www.nj.gov/education/assessment/

Together, we can ensure your children are prepared to excel on this assessment.

Sincerely,

Mr. Robert Magnuson
