Dear Warren Hills Middle School student,

As the Director of Athletics and Student Activities in the Warren Hills Regional School District, it excites me to announce to you that we will be providing athletic opportunities in the Middle School for the upcoming school year. For 2011-2012, the following sports will be provided.

Fall Sport	Girls Soccer
Winter Sports	Boys Basketball Girls Basketball
Spring Sport	Boys and Girls Track

I recognize that this list does not include every sport that has been provided in the past. However, in these difficult economic times, it is at least a step towards the goal of reinstating our full complement of sports.

As participants in our athletic program, all athletes must provide the following paperwork to the Middle School Health Office. This information and the appropriate forms can be found on the Warren Hills website. Girls Soccer participants should see the girls soccer page located under the athletic tab for school and practice information.

Physical Examination within 365 days of the first practice
Signed Medical Authorization Form
Signed Permission Slip
Signed Code of Conduct
Signed Volunteer Random Drug Testing Form

***** Those participating in girls soccer must act quickly since your first practice will be Monday, September 12th *****

I look forward to watching you play and representing the Warren Hills Regional School District. Please call if you have any questions or concerns.

Sincerely,

Buddy Freund
