December 6, 2011

Dear Parents/Guardians of 5<sup>th</sup>-8<sup>th</sup> Grade Students:

We have recently purchased new lockers for the boys and girl's locker rooms, as well as installing benches in each room to assist students as they prepare for physical education classes. The new lockers are basket lockers that will allow students to store any personal items they might bring with them to the physical education class, anti-perspirant, deodorant, extra shirts, etc.

However, due to the high cost of purchasing additional locks, the school district will not be providing locks for the baskets. If you would like to ensure your student's personal belongings, they can come with a lock that they can place on the basket until the physical education class is over. The lock must be taken off after the class and stored in their daily locker.

Sincerely,

Robert J. Magnuson
