IMPORTANT STRANGER INFORMATION

This information comes to us from the Phillipsburg School District.

Yesterday (November 29) at the end of the day, three third grade students were approached by a woman in a black/blue dark Jeep. She got out of her car, grabbed an item out of one of the student's hands, and offered them a ride home. She was very insistent, and actually coaxed the three of them in her car. Students are all safe, however we are reporting to the police and security is being made aware of the situation. The only information I have at this point is:

- Black/blue dark Jeep
- Said her name is Caroline
- African American
- Larger woman
- Possible 40's

This is a reminder to our community that we need to reinforce with our students the potential dangers they face. At this time there has been nothing reported closer to Oxford than this event, but I felt it was important to alert everyone.
