Ms. Milissa Dachisen
Director of Special Services

Oxford Central School Students are C.O.R.R.E.C.T.

September 1, 2011

Each year the Oxford Township School District and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (E.S.E.A.), agree that this compact outlines how the parents, the entire school staff and the students will share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State of New Jersey's high standards.

This school – parent compact will be in effect during the 1011-2012 school year.

The Oxford Central School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the New Jersey student academic achievement standards.
2. Hold parent-teacher conferences (at least annually) during which this compact will be discussed as it relates to the individual child's achievement.
3. Provide parents with frequent reports on their child's progress. The school will be opening a web-based student information system that will allow parents to access daily updates on student academic achievement. Target date is November 1, 2011.
4. Provide parents reasonable access to teachers.
5. Provide parents opportunities to volunteer and participate in their child's class (classes), and to observe classroom activities. (School Visitation day is scheduled for November 15, 2011)

We, as parents, will support our children's learning in the following ways:

1. Monitoring attendance.
2. Making sure that homework is completed.
3. Monitoring the amount of television my children watch.
4. Volunteering in my child's classroom.
5. Participating, as appropriate, in decisions relating to my child's education.
6. Promoting positive use of my child's extracurricular time.
7. Staying informed about my child's education and communicating with the school by promptly reading all correspondence from the school either received by my child or by mail and responding as appropriate.

We, as students, will share the responsibility to improve our academic achievement and achieve the state's high standards. Specifically, I will:

1. Do my homework every day and ask for assistance when I need to.
2. Read at least 30 minutes every day outside of school time.
3. Give to my parents or the adult who is responsible for my welfare all notices and information received by me from my school every day.
